TALKS, 11am-12pm

*April is a month for the study of **Jnana Yoga**, an approach to realization through analysis, discrimination, reason and unswerving devotion to your goal. Your aim is liberation, freedom from all limitation.*

Vedanta's scriptures and teachers tell us that life's misery — its pain, anxiety, and sense of imprisonment — is the result of seeing inaccurately, due to "maya." As a jnana yogi, you may break through that framework of delusion and see only Brahman everywhere, in everything and everyone, including yourself. This is realization!
