TALKS, 11am-12pm

June is a month for study of **Karma Yoga**, a spiritual path leading to the abandonment of selfishness. As a karma yogi, you practice offering your thoughts, actions, and perceptions to the Divine Presence. Even before fully knowing this Presence, you hold firmly to the belief that the Presence is within each person or other living being that you interact with or serve. Working and abiding in this spirit, you are increasingly able to release attachment to your activities and their results. This is the freedom promised by Karma Yoga.
